

Music

Group leader: Raymond Crea

Next meetings: Thursday 8th March, 2pm in Downpatrick Golf Club

Topic: Tchaikovsky

This is a new group, the format of which will, initially, be to take one classical composer per month. A member will do some research into the life of the composer, why he was important etc and give a short talk to the rest of the group. We will then play excerpts of his music with members having the chance to bring in CDs of their favourite pieces. Anyone who was not at the January meeting and who would be interested in the group could contact Raymond by e-mail or by phoning 07720398337 or just come along.
